Dear Governor, Senators & Representatives,

Pursuant to Public Act 140 of 2020 and Public Act 73 of 2022, the Michigan Department of Transportation hired HNTB Michigan, Inc. to conduct a feasibility study and strategic implementation plan on tolling highways in Michigan. A separate email will be sent to you from a secure file transfer system with instructions to download the feasibility analysis and strategic implementation plan as required by those respective acts.

Please contact me or the Michigan Department of Transportation with any questions.

Best regards,

A handwritten signature in blue ink, appearing to read "Eric M. Morris", is written over the "Best regards," text.

Eric M. Morris, PE  
Vice President
